SUBSTITUTE SUPPLEMENTAL RESPONSE TO OFFICE ACTION

This paper is filed at the request of Examiner Norman and is intended to be a substitute for the Supplemental Response to Office Action faxed on September 11, 2002 for the above-referenced reissue application.

Each of the reissue claims listed below has been amended to comply with the rules for claim amendments in reissue applications. More particularly, each of the amended claims below has been underlined in full. No amendments to the claims have been added that were not present in the Supplemental Response to Office Action faxed on September 11, 2002.

Applicant thanks Examiner Norman for his courtesy and creative assistance during the Office interview on 5 September 2002 and for his help regarding this Supplemental Response to Office Action. The amendments and comments presented here are believed to be consistent with the points developed during the interview and are believed to put the application into condition for allowance.
